To pay and manage your invoices online, log-in to the SLTX [online filing system](#). If you do not have an online filing system account, please register through the [Help Desk](#) page on the SLTX website.

Navigate to the payment portal

1. Select “Pay Invoices” from the left-hand navigation menu.
2. Click “Pay Invoices” on the screen. The payment portal will open in a new, secure tab.
3. Invoices are shown based on TDI license number.

Make a payment

1. Enter the payer name and email address (where a receipt will be sent). The TDI license number is pre-populated, as it is connected to your company’s system account.
2. Select invoice(s) to be paid. Selected invoices must be paid in full.
3. Select payment type: credit card or ACH/eCheck.

NOTE: Credit card payments require an additional 3.25% processing fee.

ACH/eCheck payments do not require any additional fee. Payments through ACH/eCheck may take up to 5 business days to process.

4. Enter payment information and submit.

Once a payment has been submitted, an electronic receipt will be sent to the email address provided.
